Subject: 2012 briefing

Hi Karla,

I don't think we need to check in this week. I don't have anything new since our meeting in Lacey. I was going to suggest the week of Jan 25 for a briefing, but it sounded like I might be down there for the database meeting. Do you want to wait to see when that is scheduled and then see if it would work out to do it in person? If not, then we could schedule something. Let me know what you think. Thanks.
